Autumn Term 1 – Week Ending: 12.10.18

Principal's Update

Last week we welcomed a number of colleagues from across DALP to deliver our annual Academy Review. This is an opportunity for us to gain valuable feedback about our performance against the 5 areas of the Ofsted framework.

We were absolutely overjoyed with the wonderful feedback we received about all the progress we have made in the last 8 months. The children were praised for their superb attitudes to learning, impeccable manners and welcoming nature. All the visitors said they had thoroughly enjoyed the two days they had spent with us.

I would personally like to thank all the pupils, parents and staff for being so wonderful and making this school the best school in the world!

Pupil Leadership Team

Class Ambassadors

Class Ambassadors are role models within our Academy, who are keen to promote our academy's core values.

They have been selected because they really care about the well-being of the children in our academy, treating others how they want to be treated and believe listening to one another is extremely important in moving the academy forward.

Class Ambassadors met last week to discuss the role of a Class Ambassador, one of their duties will be to show visitors around our Academy, talking to them about the history of where our school name has come from, as well as all the new exciting

things that are going on.

Mental Health Awareness Week

On Wednesday 10th October, we were delighted to be joined by Miss Mansfield & Sherwood Forest, Bethany Wigley, who spoke to our children about her involvement in the charity Rethink Mental Illness. She talked about how we all have a range of emotions that affect how we feel, how we can improve our mental health, and showed some fabulous videos to explain the subject matter.

The whole academy also participated in a non-uniform day, donating £1 to wear their own clothes. The donations raised £235, which will all go to Bethany's chosen charity Rethink, and will support the work they do to help people with mental health issues throughout the UK.

We thank Bethany for giving up her time to visit us and to our pupil leaders for taking Miss Mansfield on a tour of Wainwright Primary (to see how brilliant it is)!
