**THE HIVE**  
Breakfast & After School Club

Breakfast and  
after-school  
clubs at  
Wainwright  
Primary  
Academy

*The Hive is our dedicated breakfast and after-school club facility at Wainwright Primary Academy. Primarily designed to support parents of our pupils, it also gives children the chance to meet new friends and have fun before and after the academy day in a supportive and safe environment.*

## Breakfast club

A great way for pupils to start the day is at our breakfast club. Children benefit from being able to access a healthy and nutritious breakfast before lessons start, together with mixing with friends and other children in the academy.

It allows parents the flexibility to drop children off at the academy earlier than the academy day to allow them a few extra minutes to get to work.

We provide a choice of breakfast, including assorted cereal, toast and fruit. This helps the children to become more independent as they choose their food, and we encourage pupils to make their own breakfast, supervised by our staff.

There is always a range of activities taking place including colouring, painting, board games, outdoor activities and many more, so pupils can enjoy their time at The Hive following their breakfast.

### Breakfast club times

Open from 7.30am to 8.50am from Monday to Friday.

NOTE: Breakfast is served until 8.30am each day as staff need to clear away before the academy starts.

### Prices per day

## After-school club

Following the academy day, pupils are able to attend our after-school club which is staffed by members of the Wainwright team.

There are a variety of activities to engage and excite young minds, and the club is a great way for children to explore through play, make friends and finish their academy day whilst waiting to be go home.

Activities include sport, baking, creative arts, music, board games, outdoor play and much more besides.

All children also receive a snack which alternates between a hot and cold snack each day.

The Hive is a great place for children to meet new friends, mix with children from different year groups and learn to be more independent.
