

Accessibility Plan

Wainwright Primary Academy

September 2024

Reviewed by: Carly Ripley – September 2024

AIM	TARGET	STRATEGIES (short, medium and long term)	OUTCOMES	TIME FRAMES	GOALS
Increasing the extent to which pupils with disabilities can participate in the school curriculum	<i>Staff are trained to ensure they have specialist knowledge to teach all pupils</i>	<i>Academy engages in training from internal and external agencies. A range of specialist knowledge is sought, and research driven</i>	<i>Improved access to the curriculum for all</i>	<i>Short to medium timeframe</i>	<i>Improved delivery of information to children with disabilities</i>
Improving the physical environment of the school to increase access to education by pupils with disabilities	<i>Braille signage for those who may be visually impaired</i>	<i>As new signage is replaced – ensure that main areas have a braille alternative</i>	<i>Improved access for children with disabilities and visual impairments</i>	<i>Long term – as signage is replaced</i>	<i>Improved access for visually impaired students</i>
Improving the delivery of information to pupils with disabilities	<i>Widgit signs and symbols are used more frequently</i>	<i>Use of signs and symbols to help with understanding in curriculum-based lessons</i>	<i>Improved academic outcomes for children.</i>	<i>Short term and consistently implemented</i>	<i>Improved outcomes for all</i>
