## 5 Responding to bullying procedures

Our academy will reflect on and review our protocols and procedures regarding incidents of bullying at regular intervals, to ensure that any problems have been resolved in the long term. Pupils should initially report bullying to their class teacher or a trusted adult.

In response to an incident, the academy will take appropriate action.

- Parents or guardians should report their initial concerns about possible bullying to their child's teacher. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached
- A clear and precise account of the incident will be recorded and given to the Principal and/or designated behaviour lead
- The Principal/designated behaviour lead, will interview all concerned and will record the incident
- Class Teacher will be kept informed
- When responding to cyberbullying concerns, the academy will take all available steps to identify the bully, including looking at the academy systems, identifying and interviewing possible witnesses and contacting the service provider and the police, if necessary. The police will need to be involved to enable the service provider to look into the data of another user
- Where the bullying takes place outside of the academy site, then the academy will ensure that the concern is investigated and that appropriate action is taken in accordance with the academy's behaviour policy
- Parents/Carers will be kept informed
- Sanctions will be used as appropriate and in consultation with all parties concerned
- If necessary and appropriate, the police or other local services will be consulted

• Visitors or bystanders should report bullying at the academy's main reception and it will be passed on to the appropriate member of staff and the incident will be dealt with, using the same protocols
